

Post-Graduate Opportunities

Earn your license working at Thriveworks, a clinician-founded private practice group in 48 states.

At Thriveworks, we're on a mission to make therapy work better for everyone – and that includes making it easier to enter the counseling profession. Join us and earn you licensure with complete administrative support, free supervision, and comprehensive benefits.

We are actively hiring counseling and social work graduates interested in pursuing LCSW, LPC, or LMHC licensure.

What We Provide:

- Group and individual supervision provided
- A W-2 employment model with guaranteed pay including paid orientation, no show protection, annual pay increases and additional bonus opportunities
- Flexibility with scheduling - we're open 7 a.m.-10 p.m. ET, seven days a week
- Benefits that include: student loan repayment assistance for full-time clinicians; group health, dental and vision; 401K program with a 3% employer match; malpractice insurance; and paid time off
- Amazing team culture and clinical support with monthly in-house professional development, daily clinical consultation options, and live support during business hours
- No required on-call

We offer a supportive work environment, where our clinicians can fulfill their purpose and do their best work. Support teams include:

- Marketing
- Billing
- Credentialing
- Client scheduling and support

Compensation:

This is a fee-for-service position. Earning potential will vary based on session volume and location. Our recruiters will discuss total compensation and all bonus opportunities in the interview.
