

51ST | LIBERTY UNIVERSITY COMMENCEMENT

School of Aeronautics

Liberty Arena

May 9, 2024 | 2 p.m.

“I appeal to you therefore, brothers, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship. Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.”

ROMANS 12:1-2 (ESV)

MESSAGE *from* THE DEAN

Welcome, family and friends, to the 2024 School of Aeronautics Degree Presentation Ceremony. The mission of the School of Aeronautics is to equip, mentor, and send *Champions for Christ* into the aerospace community. Today is a celebration as we send out our graduates. We have had the privilege of assisting and watching these graduates grow in Christ while they worked diligently toward this important milestone in their lives. We look forward to seeing how God will use them as they seek His will in their careers and strive to become difference-makers in this world. Please join us in celebrating their personal growth and achievements and praying for their future work as *Champions for Christ*.

Rick Roof, Ph.D.

Dean
