MESSAGE *from* THE DEAN

Welcome to Liberty University's School of Engineering 2024 Degree Presentation Ceremony! We are so pleased you chose to join us in saying "Congratulations!" to our engineering graduates.

Today we honor our extraordinary students for their academic rigor, leadership, and perseverance. We are here to celebrate our students and their amazing accomplishments as they graduate and join the workforce or pursue further education as "Creationers" and *Champions for Christ*. Thank you for joining us in the celebration!
