INTERNATIONAL CRIMINAL FINGERPRINT CHECK

Attention Site Director:

Our Pastoral Counseling students residing outside the U.S. are required to purchase an international criminal background check in order to be approved for an internship. Although Liberty is able to obtain international background checks for international students, the University is unable to obtain international fingerprint checks. Therefore, we strongly recommend that you conduct a formal fingerprint check, or equivalent, in the country of the student's citizenship and/or in the non-U.S. country where your site is located.

By signing this statement, you acknowledge that the undersigned non-U.S. student has not been fully criminally investigated by Liberty University. Furthermore, you agree to accept full responsibility in determining whether to obtain a fingerprint check on the student, and you accept any related consequences of that decision. Liberty University takes no responsibility for the actions of its students while at your site or in your country.

You may contact our administration with related questions at PACOinternship@liberty.edu.
