

## Pre-Medical Honor Society Application

Included in the application process, is (1) a one page essay that should explain to the officers a few of the reasons that the individual wants to pursue a career in the medical field, (2) three signatures of recommendation from faculty members (at least two of them in the science field), and (3) verification that the student meets the GPA requirements for Honor Society admittance.

The essay is designed to be similar to the essay that is required on most medical school applications. Please attach a typed, one page essay that explains your answer to the previous question that is stapled to the application.

This application is for students who will be entering their sophomore year or higher the semester following application to the society. Please submit the following application with appropriate signatures.

I \_\_\_\_\_ hereby give permission to the Officers of the Liberty University Pre-Medical Honor Society to communicate with my past and/or present Professors. This communication may include the following: level of academics achieved, and level of dedication to academic and non-academic goals. I grant this permission as a necessary step in the process of being considered for membership in the Honor Society.

The Honor Society Officers will not abuse this privilege and use it solely for the selection of members. Disclosures will not be discussed outside of official Officer's meetings.

*Please print an unofficial transcript from ASIST and submit a copy with your application for GPA verification. By signing in this box you allow the President and/or the Faculty Advisor to review your transcript for verification. If you would prefer that no other officers view the transcript, check this box*
