Discussion Thread: Conflict Resolution Resources – Websites	
2 4	
Throughout this course, you have been presented with different influencers and TED Talks that relate to conflict resolution. All of these resources can be found on the internet; however, we have focused on one person or presentation at a time. This week, you will focus on finding websites that house multiple conflict resolution resources on one site, like the International Peace Institute website you were introduced to in the Learn section.	
This week, identify three websites that:	
 relate to conflict resolution have multiple resources to assist with conflict resolution are scholarly or credentialed 	
In your thread:	
1. Introduce your classmates to the three websites Image: Comparison of the three websites 2. Explain why you selected these three websites Image: Comparison of the three websites • Include how you determined the websites were scholarly or credentialed Image: Comparison of the three website • Include the URLs for each website Image: Comparison of the three websites 3. Detail how these websites relate to conflict resolution Image: Comparison of the three website 4. Provide the best resources on each website Image: Comparison of the theta is a scheme theta is a
