TOTAL HOURS		126		

Graduation Requirements

Complete 126 hours

A maximum of 39 hours may be transferred into the program from an APA accredited clinical psychology program. Transfer hours from programs not currently accredited by APA will be reviewed by the department for consideration.

3.0 GPA

No grades lower than a B- may be applied to the degree

Liberty University course work that is more than 7 years old may not apply towards this degree. Students are required to repeat the course if it has exceeded the age limit. Degree must be completed within 7 years

Submission of Degree Completion Application must be completed within the last semester of a student's anticipated graduation date

Offered in Resident Format

Notes

All applicable prerequisites must be met

¹A *Master of Arts in Clinical Psychology* degree will be awarded to students who have completed PSYD 600, 601, 605, 610, 615, 701, 703,704, 706, 707, 708, & 796 (twice).

²PSYD 888 will be taken in two consecutive semesters and will have 2 credit hours associated with each occurrence.

³This course is a repeatable course. When the student completes the course in its final iteration, they will be assigned 2 credit hours. Once a student enters the Dissertation phase (registers for 1st occurrence of PSYD 889), he/she must maintain continuous enrollment in PSYD 889 (Fall, Spring, & Summer semesters) until all degree requirements are completed.

⁴Any student who is not ready for enrollment in PSYD 890 after completing the second enrollment in PSYD 889 may be required, as determined by the student's dissertation chair, to repeat PSYD 889 until deemed ready for enrollment in PSYD 890.
