**Information Assurance Certificate**  
2018-2019 Certificate Completion Plan

**Important:** This certificate plan is effective for those starting in the fall 2018 through summer 2019. This certificate plan will remain in effect for students who do not break enrollment or who do not change certificates.

| <b><u>REQUIRED COURSES (18 hours)</u></b> |  | <b><u>Hrs</u></b> | <b><u>Semester</u></b> | <b><u>Grade</u></b> |
|---|--|-------------------|------------------------|---------------------|
| CSIS 100                                  | Introduction to Information Sciences & Systems | 3                 | _____                  | _____               |
| CSIS 330                                  | Business Data Communication System             | 3                 | _____                  | _____               |
| CSIS 331                                  | Networks                                       | 3                 | _____                  | _____               |
| CSIS 335                                  | Network Security                               | 3                 | _____                  | _____               |
| CSIS 341                                  | Information Security Planning                  | 3                 | _____                  | _____               |
| CSIS 343                                  | Cybersecurity                                  | 3                 | _____                  | _____               |
| <b>TOTAL HOURS</b>                        |  | <b>18</b>         |                        |                     |

**Completion Requirements**

18 total hours

All courses must be completed through Liberty University

2.0 GPA

No grade of D may be applied to the certificate

Submission of Certificate Completion Application at beginning of final semester

**Program Offered in Online Format**
